

What's your choice between Vietnamese restaurants in Paris?

Anh-Thi DINH

A Peer-graded Assignment of the course [Applied Data Science Capstone](#) given by IBM on Coursera.

Problem's description

There are a lot of Vietnamese restaurant in Paris, France. Some of theme are very good for European people but not for original Vietnamese people who are living there, some others are good for Vietnamese but not for European people and some are good for both. We want to check what are the best Vietnamese restaurants in Paris and they are better than the others in which criterions?
